**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a resident of Tega Cay and am protesting the water rate increase

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

We have been seeing rate increases in the past and have not been seeing any improvements in our water quality. This increase doesn't seem to be justifiable to me. The water systems in Tega Cay have numerous issues that are continually not being fixed and should have had more than enough funds to be able to with what we pay for water. Therefore I am protesting this increase.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

Yes, I will do whatever I can to help out.
